

What is the **Baccalaureate Scholarship?**

The Baccalaureate Scholarship provides up to **$1,500 per quarter or $2,250 per semester** to low- and middle-income Washington students pursuing bachelor's degrees in eligible high-demand **STEM and health care majors.**

Apply once and receive the scholarship every term until graduation as long as you remain eligible — **maximum of 18 quarters or 12 semesters**.

Funding may be used toward **tuition**, **fees**, **housing**, **food**, **transportation**, and other **education-related expenses.**

Scholars may also receive access to **career development support** and **mentorship** designed to help them launch careers in Washington state.
